Column headings			Description			
Indication of Available Capacity			<p>This register provides an indication of available wastewater treatment capacity based on loads received in 2020 and available treatment plan capacity now or by completion of a project by 2023(where relevant).</p> <p>Green = spare capacity available.</p> <p>Amber = potential spare capacity to be considered on case by case basis.</p> <p>Red = no spare capacity available at present.</p>			
WWTP Project Planned/ Underway			<p>Project planned or underway to increase capacity and/ or improve treatment performance, based on available information in March 2022.</p>			
General notes			<p>(i) The indication of available treatment capacity has been determined based on a standardised national review of the available information.</p> <p>(ii) The information in this register is subject to change.</p> <p>(iii) This register provides commentary on the available capacity at the WWTP, it does not consider the capacity of the sewer network.</p> <p>(iv) A Pre-Connection Enquiry should be submitted to Irish Water to determine the feasibility of connecting any particular site to the Irish Water network, feasibility should not be inferred from this register.</p>
