# Guide to completing the application form

This form should be completed by applicants requiring a water and/or wastewater connection to Uisce Éireann infrastructure.

### Section A | Applicant details

- **Question 1:** Please state the Pre-Connection Enquiry (PCE) reference number provided during the Pre-Connection Enquiry Phase if applicable.
- **Question 2:** This question requires the applicant or company applying for a connection to identify themselves, their postal address, and to provide their contact details.
- **Question 3:** If the applicant has employed a consulting engineer or an agent to manage the application on their behalf, the agent's address and contact details should be recorded here.
- **Question 4:** Please indicate whether it is the applicant or agent who should receive future correspondence in relation to the application.

#### Section B | Site details

- **Question 5:** This is the address of the site requiring the water/wastewater service connection and for which this application is being made.
- **Question 6:** Please provide the Irish Grid co-ordinates of the proposed site. Irish grid positions on maps are expressed in two dimensions as Eastings (E or X) and Northings (N or Y) relative to an origin. You will find these coordinates on your Ordnance Survey map which is required to be submitted with the application.
- **Question 7:** Please identify the Local Authority that is dealing with your planning application, for example Cork City Council.
- **Question 8:** Please provide the planning reference number granting planning approval for your proposed development.
- **Question 9:** Please provide the planning permission granted date.
- **Question 10:** Please indicate if planning permission has been approved.
- **Question 11:** Please advise whether this application relates to a new or existing building.
- **Question 11.1:** In the case of an existing building, please indicate the previous use of the building.
- Question 11.2: Water Point Reference Number (WPRN) is a unique number assigned to every single water services connection in the country. The WPRN is prominently displayed on correspondence received from Uisce Éireann, and can be found on water bills, previous connection offers, or previous enquiries in relation to the site. Existing customers and brownfield sites should have a WPRN. New customers are not required to answer this question.
- **Question 11.3:** Please provide the building type of the new premises.
- **Question 11.4:** If indicating 'Other' please specify.
- **Question 12:** Please indicate the type of connection required.

#### Section C | Water connection details

- **Question 13:** Please indicate if a water connection already exists for this site.
- **Question 13.1:** Please indicate if this application is for an additional connection to one already installed.
- Question 13.2: Please indicate if an upgrade or upsize to an existing water connection is required.
- **Question 14:** Please indicate if a new water connection is required.
- **Question 15:** Please indicate the approximate date that the proposed connection to the water infrastructure will be required.
- **Question 16:** Please indicate what diameter of water connection is required to service this development.

### Section D | Wastewater connection details

- **Question 17:** Please indicate if a wastewater connection already exists for this site.
- **Question 17.1:** Please indicate if this application is for an additional wastewater connection to one already installed.
- **Question 17.2:** Please indicate if you are proposing to upgrade the wastewater connection to facilitate an increased discharge.
- **Question 18:** Please indicate if a new wastewater connection is required.
- **Question 19:** Please specify the approximate date that the proposed connection to the wastewater infrastructure will be required.
- **Question 20:** Please indicate what diameter of wastewater connection is required to service this development.

## Section E | Supporting documentation

Please provide additional information as listed.
