

First Fix Free scheme

The customer's journey from suspected leak to free leak repair

Phase 1: Customer Usage and Notification of a Leak

1

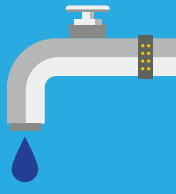

We (Irish Water) will check meter readings to identify homes with possible leaks

2

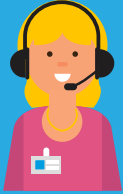

We will notify you if we suspect there may be a leak in your home

3

We will ask you to check for, and repair, any leaks inside your home. To learn how, visit water.ie/check-for-leaks

4

If you believe you still have an external leak, call our Customer Care team or fill out our online form to request a free leak investigation

Phase 2: Leak Investigation and Leak Repair Offer

5

Our contractor will contact you **within 10 business days** to schedule a leak investigation appointment at a suitable time

6

After the investigation we will make a decision **within 5 business days** on whether your leak qualifies for the First Fix Free scheme

7

If the leak **does** qualify for the scheme, we will provide you with a letter and a copy of the terms and conditions to sign

8

You return the signed letter and the terms and conditions to us **within 30 business days**

If the leak **does not** qualify for the scheme (for example, it is an internal leak), we will provide you with water conservation advice

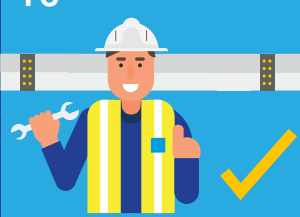

Phase 3: Leak Repair

9

Our contractor will contact you **within 10 business days** to schedule a suitable time to repair the leak

10

Your leak is repaired at the agreed time by our contractor
