1. No part of this drawing may be reproduced or transmitted in any form or medium in any electronic system of any nature without the written permission of Irish Water as copyright holder except as agreed for use in the project for which the document was originally issued.

2. Whilst every care has been taken in its compilation, Irish Water gives this information as to the position of its underground network as a general guide only, on the strict understanding that it is based on the best available information and it is the responsibility of those undertaking any works to ensure the exact location of the Irish Water underground network is identified prior to excavations or any other works being carried out in the vicinity of the Irish Water underground network. The areas on the surfaces carrying out excavations or any other works to ensure the exact location of the Irish Water underground network is identified prior to excavations or any other works being carried out. Service connection pipes are not generally shown in their position but should be anticipated.
