

Cork Lower Harbour Main Drainage Project Cobh Networks – Old Town Hall

1. What is happening at the Old Town Hall Pumping Station?

A Pumping Station will be constructed at Station Car Park, and associated electrical works will be carried out.

2. How long will the works take?

Works are planned to commence on Monday 16th September 2019, with a planned completion date of October 2020.

3. What are the working hours?

8am to 6pm, Monday to Friday. If working hours change for any reason, we will notify you in advance.

4. Where exactly is the works area?

Imagery © Google, Map data © 2019

5. Will I be able to park at Lynch's Quay?

No parking will be available at Lynch's Quay from early October.

6. What safety measures are in place?

The works area will be barricaded and safely secured throughout the works.

7. Will the works be noisy?

There will be some noise at times, associated with concrete breaking and site machinery and vehicles, carried out during the day Monday to Friday, and in keeping with licensing conditions.

8. Will there be a smell?

We do not anticipate any odour as a result of the works.

9. What will be visible when the works are completed?

There will be a number of cabinets in place which will be securely fenced off.
