Road Closure No 1 information for Lower Glen Road 04 Sept 19 to 13 Sept 19.

HOMES ADJACENT TO ROAD CLOSURE

What happens next?

These road closure applications are expected to be advertised by Cork County Council in the Examiner Friday 09th August. It is expected that Cork County Council will invite submissions on these closures as part of the statutory road closure application process.

Cork County Council, being the relevant Roads Authority, will then consider the application and all relevant submissions and either seek further information from the applicant or grant the road closure. Should Cork County Council grant the application, they will publish the dates of the road closure.

Will I be informed if the road closure is going ahead?

Yes, should the road closure licences be granted, we will notify you by letter.

Will I be able to access my home?

Yes, access will be maintained to your home at all times.
A diversion will be in place where traffic will be diverted to Castle Terrace / Castle Road, parallel to Glen Road. We will endeavour to accommodate special access requirements during this phase of the works.

What about parking?

There will be some limited restrictions to parking. Alternative parking arrangements will be in place. We will communicate exact details directly to those affected.

How do I access the village?

Pedestrian access will be available at all times. Traffic will be diverted via Castle Terrace / Castle Road.
